

MY GEOGRAPHY JOURNEY

The Poles:
How does life survive in the coldest parts of the Globe?

UKS2

WW1 and WW2:
What was the social and economic impact of WW1 and WW2?

Japan: How does the human and physical geography of Japan differ from that of the UK?

UKS2 Map Skills:
What are the definitions of 'human feature' and 'physical feature'?
How are these represented on an Ordnance Survey map?
How is land height shown on Ordnance Survey maps?
What is a contour line?
How can we develop our understanding of contour lines and the features they show?
How can we locate places on Ordnance Survey maps?
What is a six-figure grid reference?
How can we read them?
How is distance represented on a map?

Transition to Secondary

Mesopotamia:
Where was Mesopotamia?

Civil Rights, Protest and Diversity: How have civil rights movements impacted the population and economy of different countries.

UKS2

Rainforest:
Why are the rain forests important to Earth?

Movement of People: What influences the movement of people around the globe.

Romans and Modern-day Italy: What is lifelike in modern Italy and how does it differ from the UK?

LKS2

LKS2 Map Skills:

How can we use maps to develop our knowledge of the British Isles?
Which countries make up the British Isles? What are their capital cities and where are these located?
How can we describe the location of different parts of the British Isles?
How can we use maps to find out about the local area?
What is an Ordnance Survey map?
How are places, human and physical features represented on OS maps?
What symbols are used on OS maps?
How can we find places on OS maps?

Kent – Counties of the UK: Why is our country called The Garden of England?

Northern Europe: What shapes the European landscape?

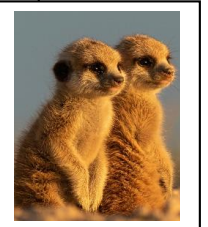

Volcanoes: How do volcanoes impact our lives?

LKS2

Great Fire of London: Where is London and what do I know about it.

Amazing Africa: What is the same and different in Africa?

Year 2 Map Skills:
How can we find out where places are located?
What is a map?
What is a plan?
How can we give directions?
How are places represented on maps and plans?

Around the World – 7 continents and 5 oceans: How many continents and oceans are there?

Year 2

My World and Me:
What is our local area like and what do you like most about our local area?

Poles and Equators How does the weather affect our plants, animals and environment?

Year 1 Map Skills:
What is a map?
What is a plan?
Where would we find them? What are compass points? How can we use them to give directions?

EYF

Amazing Animals:
Can you tell me about an animal from another country?

Come Outside:
What do you see in and around Biddenden?

Ticket to Ride: Can you tell me about a place you have visited?

Year 1
